Delaware Health Alert Network

Department of Health and Social Services
Division of Public Health

The Delaware Health Alert Network (DHAN) is part of a nationwide network of public health agencies used to communicate terrorism and other public health threats via email or telefax. The Delaware Division of Public Health manages the DHAN. We encourage you to register for this service today by returning this application so we can provide you with timely updates.

ATTENTION: THE Delaware Health Alert Network (DHAN) IS A SECURE DATABASE, THE INFORMATION WILL NOT BE SHARED OR SOLD IN ANY WAY.

Please check the notification service you desire. (* indicates required fields)
